**Arkansas' Adam Faucett Releases
It Took the Shape of a Bird
Last Chance Records – June 29, 2018**

"Nothing can prepare you for the sound that comes out of his mouth when he sings—or bellows—his stellar songwriting. It is a soulful power beyond belief."

-Paste Magazine

(Little Rock, Ark.) - Hailing from Little Rock, Ark., and possessing a voice the *Onion A.V. Club* warns "knocks your brain into the back of your skull," Adam Faucett releases his fifth solo album (and second with Last Chance Records) Friday, May 29 on vinyl, CD and digital. ***It Took the Shape of a Bird*** follows his acclaimed release, ***Blind Water Finds Blind Water***, which was named to *American Songwriter's* "Top 50 Albums of 2014" list.

Drawing comparisons from a diverse array of artists like Tim Buckley, Cat Power and Otis Redding, the *Arkansas Times* named Faucett "one of the greatest, most thoughtful lyricists the state has to offer." And on ***It Took the Shape of a Bird*** he has again pushed the borders of his "part folk, part blues, part elemental rock stomp, part unidentifiable cosmic holler," (*Arkansas Democrat-Gazette*) to craft a record of his most personal, unbodied, and darkly beautiful songs to date. From opening track "King Snake," ***Bird*** wastes no time immersing the listener into a world of murky storytelling fueled by true, though often skewed, accounts, wherein Faucett's moving, heartrending melodies breathe life into a cast of tragic, historic characters and locales: a World War II-era orphan, Louisiana *gris gris* girls, a biker's funeral procession, a friend struggling with faith and addiction, and even the *Mackay Bennett*—the ship which recovered most of the bodies from the *Titanic* disaster.

Touring nonstop since the release of his solo debut in 2007, Faucett has shared the stage with acts such as Jason Isbell, Meat Puppets, The Legendary Shack Shakers, Dax Riggs, Richard Buckner, Lucero and Grand Funk Railroad, while most recently playing international and national tour support to Chuck Ragan, Austin Lucas, King Buzzo (Melvins) and Pallbearer.

Tour dates in support of *Bird* begin before its official release date with a Midwest run (accompanied by his band, The Tall Grass) which commences June 16 at The Outland in Springfield, Mo. The album release show is June 30 at Little Rock's White Water Tavern, followed by a string of shows throughout Tennessee, Texas and Arkansas in July. August and September dates are set for the Rockies and West Coast, while Faucett plans to hit the East Coast in October. He'll return to Europe in November for a month of shows with North Carolina's Matthew Paul Butler.
